Letter of Acknowledgement

Dear Ms. Loni Belle,

On behalf of New Image Emergency Shelter for the Homeless, Inc, we extend our sincerest appreciation for your remarkable book, ***Moo Nay R U Monet***. This holiday season, we had the pleasure of receiving and distributing 200 copies at our **31st Annual Children's Christmas Store**, and we are thrilled to share how deeply it resonated with the families and children we serve.

The **31st Annual Children's Christmas Store** provided toys, shoes, books, clothing, and supermarket gift cards, to more than 3,081 children from over 698 homeless and low-income families. Many parents expressed heartfelt thanks for giving their children a book that not only entertains, but also encourages imagination, creativity, and confidence.

We are proud to share that all 200 copies (donated by Mimi Marshall and Bobbie Velasquez) were given to children from low-income families, many of whom have limited access to new books of their own. The opportunity to gift them something so meaningful was truly special, and we are grateful for the role your work played in making this year's event impactful.

Thank you for creating such an empowering and delightful book. Please know that your work brought smiles, sparked inspiration, and made a lasting impression during a season of giving and kindness.

With gratitude,

Lynda Moran
Deputy Director
